Check-in at the lodge, unwind and enjoy a briefing on safari timings, safety and wildlife watch techniques. Evening at leisure with an optional guided nature walk around the property (subject to lodge availability).

Early-morning Jeep/Canter Safari into Sasan Gir – the best time to spot the Asiatic Lion, sloth bears, chital and nilgai. Return to the lodge for breakfast and a midday rest. Another pre-dawn safari to increase lion sighting opportunities and observe predator-prey behavior. Post-breakfast relax and enjoy birding around the lodge—look for peafowl, Indian rollers, and raptors. Late afternoon preparation for a night drive (where permitted) – an exciting chance to encounter nocturnal species and observe wildlife with spotlights under expert guidance. Night drives require special permits and are seasonal; subject to forest department approval.
