Important: Keep your dive certification card and logbook handy. If you need a recent medical clearance, arrange this before arrival.

Day

2

Transfer to Havelock & Beach Time

Early morning ferry to Havelock Island (Swaraj Dweep). Check-in at Havelock resort and relax briefly. Afternoon: shore orientation and a refresher session at the dive center, then optional surface activities like snorkeling or a guided visit to Radhanagar Beach (Beach No.7) – voted among Asia's best beaches.

Tip: Book the ferry seats early; inter-island ferries are popular and can fill up.

Day

3

Advanced Boat Dives – Deep & Drift Sites

Two advanced guided boat dives at prime Havelock dive sites. Expect deeper walls, drift sections, and pelagic sights depending on conditions. Typical sites include The Wall, Barracuda City, or Twin Rocks. Each dive includes full briefing, guided bottom time, and surface intervals back on the boat.

Note: Dive profiles follow advanced dive limits; ensure you meet the required certification and recent dive experience.

Day

4

More Advanced Dives & Elephant Beach Option

Morning: another pair of guided advanced dives focusing on different ecosystems (coral gardens, swim-throughs, or wall drop-offs). Afternoon: optional excursion to Elephant Beach for snorkeling, glass-bottom boat rides, or just lounging in the sand. Evening: log dives and receive personalized feedback from instructors.

Tip: Keep hydrated and log your dive details immediately after each dive.

Day

5

Return to Port Blair & Departure

Early morning ferry back to Port Blair. If time allows, visit Ross Island or local markets for souvenirs. Transfer to airport for your onward flight.
